

EMİNE ÖZDEMİR (Turkey)

She was born in Amasya at 1957. She graduated from Dokuz Eylül University Education Faculty of Art, the artist traveled around throughout Turkey and predominantly painted human figures because of dialog with local people. The softness in her technic provides with a high harmonization of the colours with each other original style. Her artistic expression forces of rendition are noticeable formal tastes follow the emotional interpretation. The artist, who adopts expressionism, exposes the style in her work of art. Expressing her feelings is one of her indispensables. As a teacher who Works of Anatolia, she transposes her senseability at socie events into art. The expression of Anatolian people is so effectual that these expressions provide Turkish people come together. The artist served as ajury in many competitions related to art. She painted Atatürk's portraits and wall murals. The artist who worked as an art Teacher in different schools in Turkey retired in 2002. She continues original print Works at the state art & Statue Gallery. She has many Works of art in the collections at home and abroad. She joined eo-exhibitions abroad and she contributed one of her paintings to UNICEF because of 9. Internatiional children fest. She joined exhibitions including 19 personal, 97 mixed, 6 abroad exhibitions. She has 6 exhibitions abroad and an original print-art exhibition. She continues to work at her own workshop. The artist is also a member of UPSD (International Plastic Artist's Association) and HIAA (Helsinki International Artist's Association)
