

Dadang Pribadi (Indonesia)

Dadang Pribadi is a self-taught artist and photographer. At visual art, he has some fields he's working on : portraiture drawing/painting, urban sketching and cubism/decorative drawing/painting. In photography, he loves street and human interest photography so much.

Dadang also is a coordinator of an art community which is very active to produce outdoor art events since year of 2010. His dream is supporting his hometown being more arty.

International Art Festival
